

# DUBLIN AGE FRIENDLY CITY

## *Strategy to Implementation*

# Dublin City Council

Dublin City Council is the democratically elected body that governs Dublin City. We are the largest Local Authority in Ireland.

## Services include:

- Business Services e.g. licenses, rates
- Community Services e.g. community grants
- Housing e.g. 26,000 units of accommodation, maintenance
- Recreation & culture e.g. libraries, sports fields
- Planning e.g. applications, objections, conservation
- Roads & transport e.g. traffic update, parking
- Waste water & environment e.g. litter, noise control, fire brigade

# EUROPEAN SOCIAL NETWORK (ESN) – who we are

The network for local public social services in Europe  
Over 100 member organisations in 34 countries  
comprising national associations of directors,  
departments of social welfare of government, regions,  
counties and municipalities.

# ESN What we do

## Provide

a Europe-wide learning and networking platform for social directors and managers

## Bring

local and practice based experience into European policy making drawing on our members' knowledge

## Represent

members at the European level seeking better recognition for the role of regional and local government

## Advocate

empowerment of service users and quality assurance in service management

# ESN Working Group: Ageing & Care

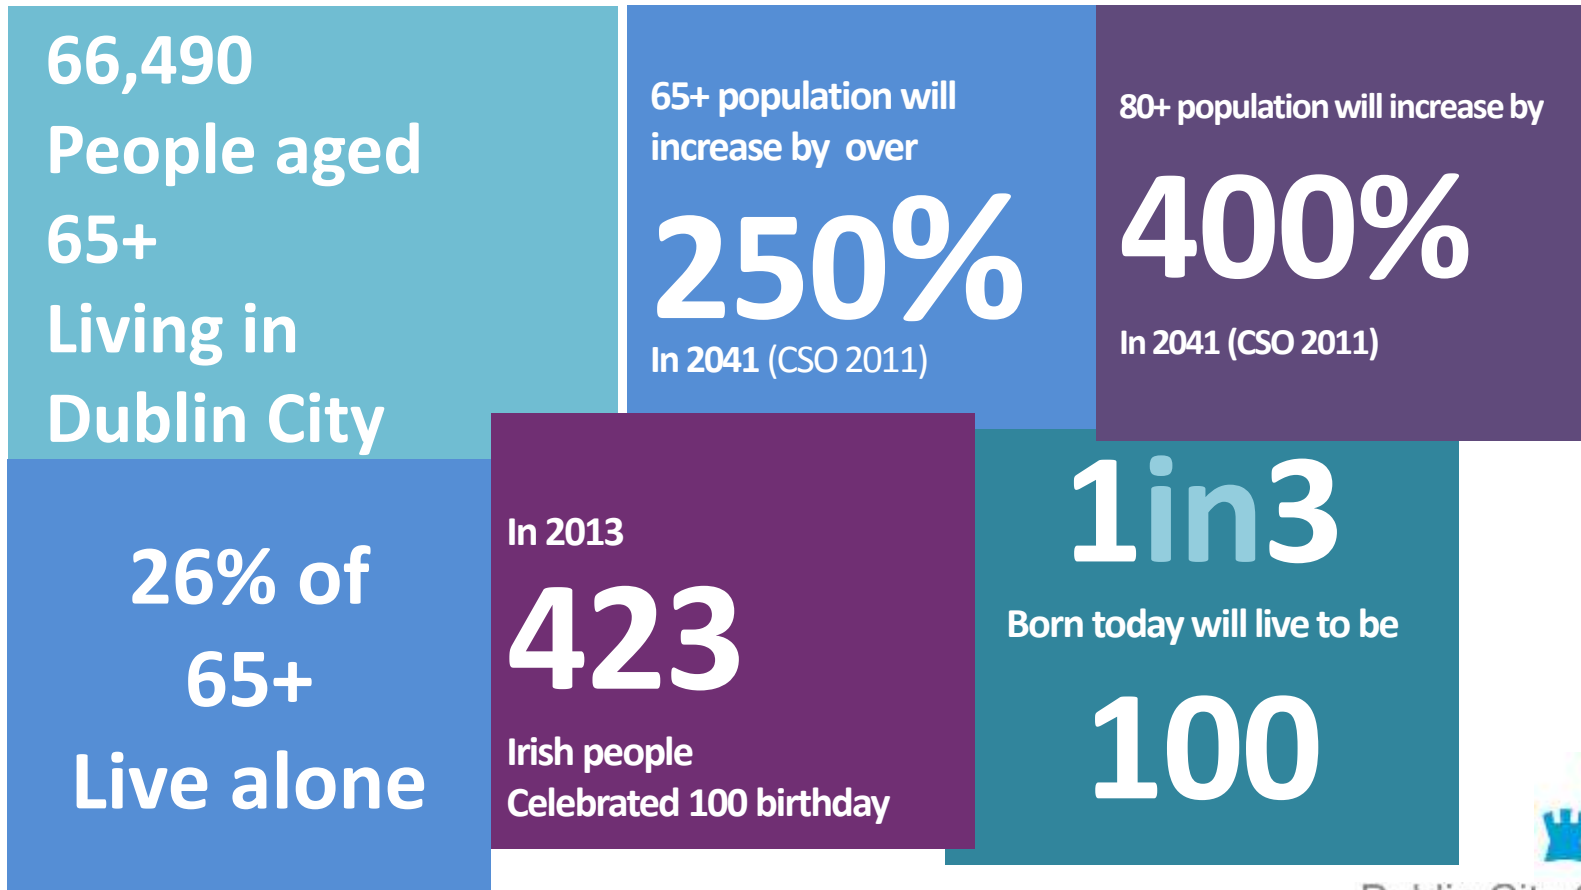

- **Objective:** Policy and practice analysis on the planning and management older people's services in a sustainable and person-centred manner.

# DUBLIN AGE FRIENDLY CITY GOALS & ACTIONS BASED ON CONSULTATION AND WHO THEMES

## ➤ **Outdoor space and buildings**

Ensure that the design, maintenance and redevelopment of outdoor spaces and buildings are in line with current best practice in accessibility for older people.

## ➤ **Transport**

Ensure that public transport in Dublin City is appropriate for older people

## ➤ **Home and community**

Ensure that facilities, services and supports are available to assist older people to remain living in their communities.

## ➤ **Information**

Provide user-friendly, reliable and coordinated information in a way which suits the needs of older people with a focus on “no wrong door” interactions.

➤ **Safety**

Ensure that older people feel and are safe in their homes and when out and about in Dublin City.

➤ **Learn, develop and work**

Develop and support opportunities for older people to access formal and informal learning and to continue to work in a paid or voluntary capacity if they so wish.

➤ **Social, economic and political life**

Create more and better opportunities for older people to participate in the social, economic and political life of the city.

➤ **Healthy and active living**

Ensure older people have access to appropriate health services and to age-friendly arts, leisure, sports and recreational services, as well as to the information they need for healthy and active living.

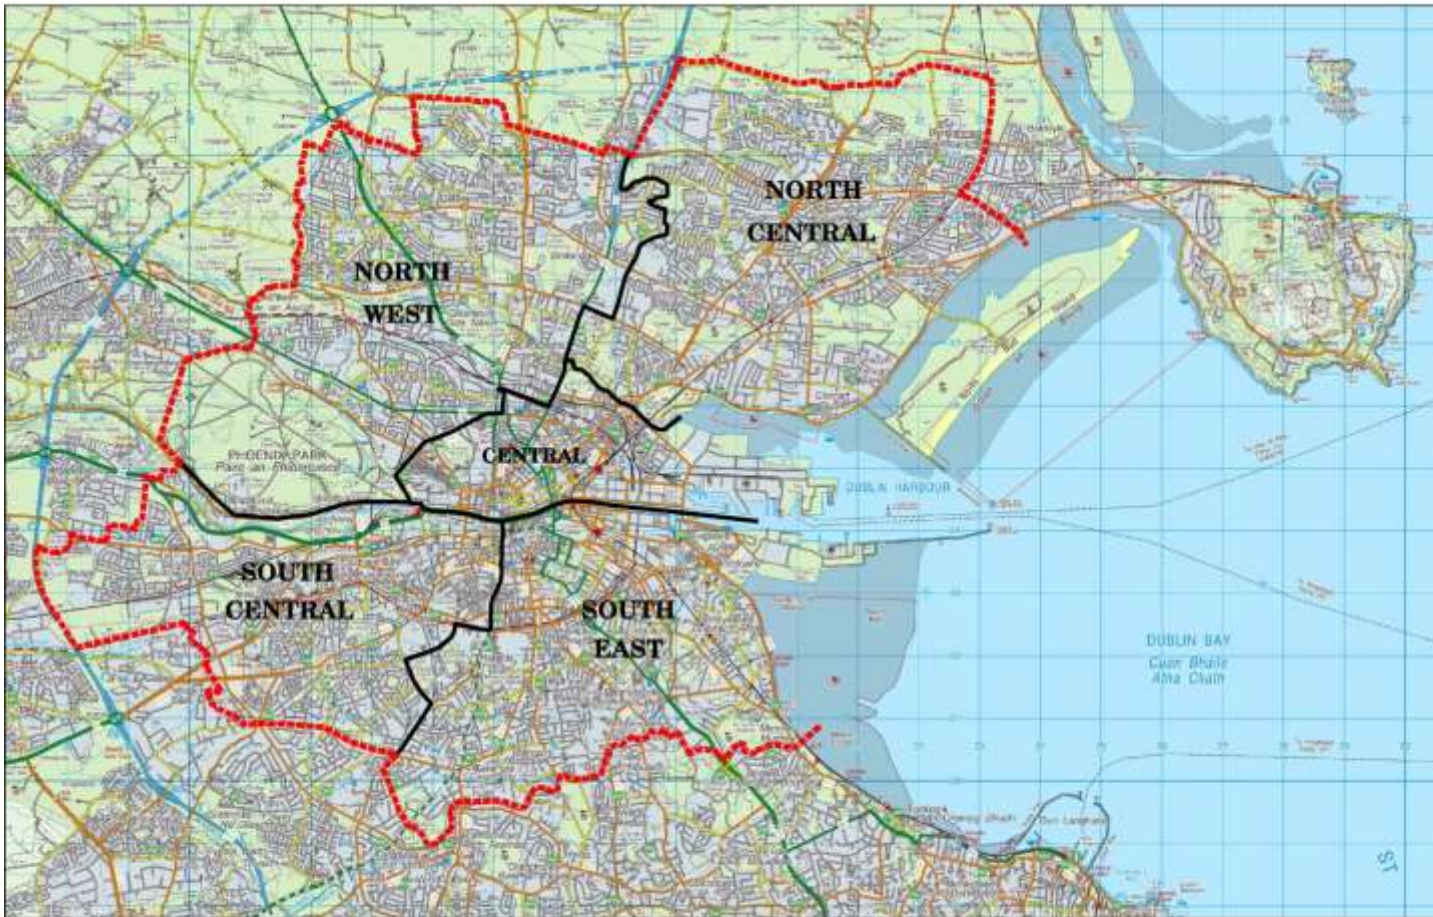

➤ **Value and respect**

Advance Dublin as a city in which older people are respected as valued members of the community, where their views and contributions are sought and they are actively involved in decision-making processes.

# HEALTH ROUTE – TRANSPORT INITIATIVE

- Community based initiative that delivers door to door health transport services for older people to health care appointments
- Service provided for over 65s by a registered charity supported by the Council

***Funding Model*** – this innovative service is funded using a combination of charity funds, passenger nominal fares and various funding arrangements with the Council and Health Service

**Reduced the number of missed hospital appointments by 25%**

## MEN'S SHEDS

- A Men's Shed is a dedicated, friendly and welcoming meeting place where men come together and undertake a variety of mutually agreed activities.
- Men's Sheds are open to all men regardless of age, background or ability. It is a place where you can share your skills and knowledge with others, learn new skills and develop your old skills.
- New members are always welcome and can be assured that there is something of interest for everyone as the men have ownership of their Shed and projects and decide their own program of events.
- An objective of Men's Sheds is to enhance or maintain the well-being of the participating men

**Expansion of exercise equipment programme in Dublin parks – part of pilot Age Friendly Park**

**Computer training classes for older people**

## Intergenerational activities

'Message in a Bottle' is a simple scheme which encourages people to keep their personal and medical details in a container which is stored in the fridge.

## “Care & Repair”

**This programme** was established by Age Action to carry out minor repairs for older and vulnerable people free of charge, to give them access to reliable tradesmen for larger jobs and to provide a befriending service. The vision of the programme is to enable older and vulnerable people to remain in their own homes, in their own communities, living as independently as possible, through the improvement of their housing conditions and their level of comfort, security and well-being
